**CARNIVORE THEOLOGY IS A PODCAST WHERE  
WE GO ON ADVENTURES AND ANSWER QUESTIONS  
ABOUT CURRENT EVENTS, RELIGION,  
THE UNIVERSE AND EVERYTHING ELSE.**

Our mission with every episode is to help Christians move from milk to meat, past the basic principles of the faith to become wise, skilled, world-changing followers of Jesus Christ by speaking about current events and hot topics in a biblical, practical and relevant way.

## **SOMETHING THAT SET US APART:**

We're not just about good, biblical content. Each episode is set in a *different virtual location* and begins with a fun skit to emphasize the theme. We could be in a restaurant in Winnipeg, cathedral in Montreal or being chased by deer in Vancouver. Check out our "Favourite Episodes Lists" for examples.

**Our Theme Verse: "...for everyone who lives on milk is unskilled in the word of righteousness, since he is a child. But solid food is for the mature, for those who have their powers of discernment trained by constant practice to distinguish good from evil." (Hebrews 5:13-14)**

## The Host

### STEVE BASTIAN

BAP B.Ed-AD

Teacher, husband, father, musician, and woodworker, Steve is our lovable question asker who kicks off all our episodes.

Carnivore Theology was founded by Pastor Al after a mutually helpful conversation between Al and Chad. "I wish others could hear this good stuff" became the motivating thought behind launching a podcast. We originally wanted a female host, but Steve fit so perfectly we decided to go with an all male team.

# Ways YOU CAN HELP

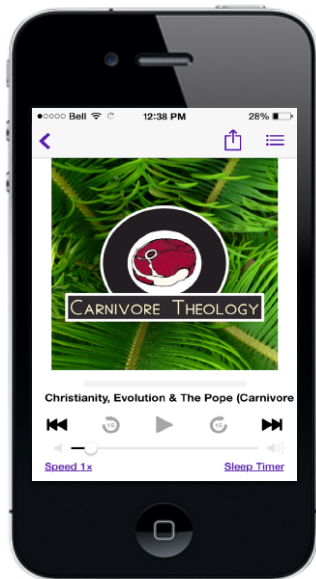

**Do you want to be part of helping Christians move from milk to meat?**

- ♦ Pray that we will stay faithful to God's Word and promote the name of Jesus in every episode.
- ♦ Pray that our listenership grows.
- ♦ Submit questions you want answers to.
- ♦ Like, follow, rate and share on Facebook, Twitter, iTunes, and at [www.CarnivoreTheology.com](http://www.CarnivoreTheology.com)
- ♦ Forward this information package on to your pastor, church and friends.
- ♦ Print and share the bulletin inserts (included).
- ♦ Buy some cool stuff from our Merch Store.

## Regarding Partnerships:

- ♦ We're open to advertising brands, products and services that share our passion for solid theology and practical, biblical teaching.
- ♦ We'd enjoy introducing our listeners to new and established Christian music artists.
- ♦ We're looking to partner with passionate people (interesting individuals, ministry experts, and other Christian podcasters) for special episodes.
- ♦ We're not looking to make money, but financial partnerships would help purchase new equipment, increase our reach and fund new ideas.
